Here's what we're doing in 2021!

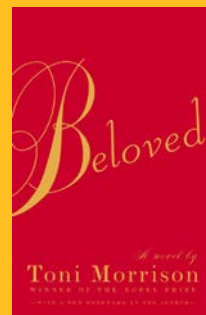

SUMMER READING

Summer Reading at the library provides hundreds of programs and educational events for children during the summer. Children are able to track and log their reading on a Summer Reading game board and receive a reading medal and prizes when they complete their reading goals. During this year's Tails and Tales-themed program, kids receive prizes as incentives to keep reading as many books as possible and stay engaged during summer months.

Summer Reading is not only for kids. Adults can also read all summer long and enter a drawing for a prize. Gather the family and join us for Tails and Tales. What a great way to have fun this summer!

COMMUNITY TALES

In partnership with this year's Tails and Tales Summer Reading program, Community Tales chronicles the memories, histories and achievements of Pueblo's African American community. This year we will feature the novel "Beloved" by Toni Morrison.

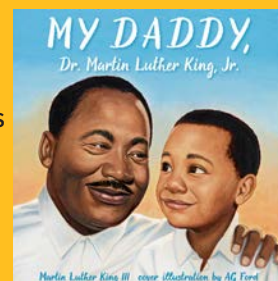

PUEBLO'S AFRICAN AMERICAN COMMUNITY HISTORY

This project chronicles the historic moments, individuals and institutions that are the fabric of Pueblo's African American community including: mountain man James Beckwourth and local Buffalo Soldiers, Aunt Eliza Boone, Eighth Street Baptist Church and Sam Nelson, the History of the NAACP of Pueblo County, The Lincoln Home, Black-owned businesses, the legacy of Ruth Steele and more.

MARTIN LUTHER KING III

Community Tales culminates in September with two virtual events featuring Martin Luther King III. The first is an exclusive livestream premier event and the second is free and open to the public.

ALL PUEBLO READS & BOOKLOVERS BLACK APRON BRUNCH

All Pueblo Reads is a literary project designed to get everyone in Pueblo County reading and discussing one book at the same time. Each year, this community-wide literary project serves the community with incredible results; 2020's all-virtual project reached more than 48,000 individuals online. Your sponsorship support allows us to host celebrated chef Yotam Ottolenghi, author of the book *Flavors*, for two virtual events in November — a free online public author talk and exclusive livestream event, the Booklovers Black Apron Brunch.

Your generous sponsorship allows the Pueblo Library District to continue the promotion of literacy and education in our community.

LEADERSHIP ACADEMY

The Pueblo Library Foundation's Leadership Academy gives high school students the opportunity to grow their skills in order to become a leader in the Pueblo community. This year-long program taught by area professionals offers participants the lifelong skill sets of: effective mental health strategies, achieve financial literacy, identify strengths and unlock the potential of their future selves. Stronger students make for a stronger Pueblo. The program is free and is open to high-school students from throughout Pueblo County.
