Summer Reading

by Jon Walker

The Pueblo City-County Library District sponsors each summer a special series of activities to encourage literacy and celebrate the joy of reading among the members of the community. 2017 is no different.

Jon Walker

The library will offer games, prizes, entertainers, and other pursuits in order to stimulate people of all ages to use library books and other materials all summer long. The summer reading theme this year is Build a Better World. There are special multi-page guides available to help you know all of the details of the library's 2017 summer programming. These are available for courtesy pick-up at any library location during regular hours of operation and, also, online at www.pueblolibrary.org/summerreading. Please plan to join us during June, July and August for all the reading fun. Everything kicks off on June 1 and continues through Aug. 12. All the library activities, books and other materials are available free and open to the public.
