All They Will Call You: Finding Woody Guthrie's Deportees

Monday, Oct. 2, 7 p.m. RA, Ryals Room, 4th floor

Award winning author, Tim Hernandez, offers an engaging presentation based on his research of the lives lost in the 1948 plane crash and Woody Guthrie's song "Deportees-Plane Wreck at Los Gatos." Hernandez has spent years locating and interviewing the family members of the passengers. This lively and thought-provoking presentation sheds light on the totality of the incident, and puts names and faces to the human lives directly affected by the historical omission.
