Dear Jon:

I am pleased to inform you that Pueblo City-County Library District has been nominated by Senator Cory Gardner for the 2018 National Medal for Museum and Library Service.

This annual award is presented by the Institute of Museum and Library Services and was created to underscore the significant contributions that museums and libraries make to their communities. The award honors institutions that demonstrate extraordinary approaches to serving their constituents and that exceed expected levels of community outreach.

In order to be considered for the National Medal for Museum and Library Service, you will need to complete and submit the required Nomination Form. Three representatives from the community served by the institution should submit letters of recommendation either with your nomination packet or separately to IMLS by the October 2 deadline. The form and instructions are available on the IMLS website at: <https://www.imls.gov/grants/available/national-medal-museum-and-library-service>

Your materials should be sent by October 2, 2017 to: nationalmedals@imls.gov

Alternatively, nominations may be mailed and postmarked by October 2, 2017, to this address:

We look forward to receiving your materials and learning more about your institution's role in the community.
