Dear PCCLD's Board of Trustees,

All of us at Pueblo's library district appreciate your dedication to our staff. While reviewing the Insurance benefits, we appreciate you thinking of us and our families.

Having less out-of-pocket from our checks benefits us and our families and we are truly grateful. Because of your compassion and sincere leadership, we feel encouraged.

We recognize your dedication to the library and to the employees. With pride, we will provide professional service to the patrons and continue to keep our Star Status.

With Gratitude,

Steering Committee Representatives for PCCLD
