Meeting Dates

The committee has been approved to meet up to five times during the 2018 interim. Two of those meetings may be held outside of Denver. The committee is scheduled to hold its first meeting on Friday, July 13. Additional meetings have been scheduled for the following dates:

- Wednesday, July 18;
- Tuesday, August 21; and

Committee Recommendations to Legislative Council

Bill limits and requests. The committee may recommend up to five bills to the Legislative Council. Committee members must request bills during a single committee meeting set for requesting legislation, and bill requests must be approved by a majority of the committee members.¹

Bill request deadlines. The Legislative Council has established deadlines for the 2018 interim for requesting, drafting, and approving bill drafts under consideration by the committee.² The meeting to request bill drafts must be held by August 22, 2018. Committee members must submit drafting information to the Office of Legislative Legal Services (OLLS) bill drafter within three calendar days of the meeting at which bills were requested. There must be at least 42 days in between the meeting at which legislation is requested and the meeting at which it is approved. To allow time for Legislative Council Staff to prepare the fiscal analysis of the proposal,³ there must be 21 days between the date the proposed bill is finalized with OLLS staff and the date of the meeting to consider the proposed bills. The last day to finalize bill drafts with OLLS staff is September 13, 2018, and the committee must meet and vote on the bill drafts by October 3, 2018. Bill drafts and fiscal notes will be sent to the committee three days prior to the meeting at which the bills will be approved.

¹Joint Rule 24 (d) (2.7) (A).

²Joint Rule 24A (d) (2.6).

³As required by House Bill 15-1035.

Legislative Council review. The Legislative Council is scheduled to meet on October 15, 2018, to approve interim committee draft legislation. Bills approved by the Legislative Council do not count against a member's five-bill limit for the regular legislative session. Bills not approved by the Legislative Council may be introduced during the regular session, but such bills would count against a member's five bill limit.⁴ Interim committee bills must have prime sponsors prior to approval by the Legislative Council.⁵
