

# Rawlings Copper Panel Repair

Storm Damage March 2017

Photo of Rawlings Library with missing panels

Photo of copper paneling that is damaged and coming loose from the building

Original bid was \$20,000 then they changed their price to \$160,000. This was unacceptable mark up so went back out to bid and we received 3 close bids

Bids:

1. Aztec Manufacturing \$29,517.00
2. Johnny's Boiler Shop \$28,805.20
3. Colorado Front Range Roofing \$27,895.00 this is the winning bid

Insurance should cover the cost of repairing the copper panels. This also the last storm repair item to be completed.
