Patrick Avalos
Meagan M. Koncilja
Rita Gersick
Elizabeth Gladney
Roger Gomez
Betty Martinez
Sal Pace
Lori Winner
Bob Schilling (Ex-Officio)

Jerry M. Pacheco, Executive Director

You are invited to participate in a meeting with the Pueblo Urban Renewal Authority Executive Committee, Executive Director, Jerry M. Pacheco and Legal Counsel, Paul Benedetti to discuss the effects of HB 15-1348 and SB 16-177 on Pueblo's existing urban renewal projects. The meeting will be held on Thursday, December 1st, from 3 – 5 p.m. at the Pueblo Convention Center located at 320 Central Main.

This meeting is necessary because of a formal request submitted by the Pueblo Board of Waterworks to amend an existing Cooperation Agreement with the Authority, which may be affected by the above legislation. The subject agreement was entered into for reimbursement of development costs associated with the water system to serve the St. Charles Industrial Park Urban Renewal Area, specifically the Vestas Towers Facility.

This meeting provides an opportunity to open dialogue between the Authority and all Taxing Entities, regarding this legislation and to determine how best to work together for the benefit of all affected parties. Please extend this invitation to your interested board members and legal counsel.

We look forward to seeing you and partnering in the future! Thank you for your continued support in the betterment of our community.

Best,

Jerry M. Pacheco
Executive Director
Pueblo Urban Renewal Authority
