Gentlemen:

Putting the St. Charles Mesa Library on Hwy 50 is a very terrible decision!! Hwy 50 has been designated as one of the most dangerous highways in the state of Colorado.

Many children go to the library daily. How can they cross that Hwy safely?

We really need a library on St. Charles Mesa but please pick a much safer place that has less traffic. Last month a child was killed crossing Hwy 50. Please consider ease of access as well as ongoing traffic before you build.

Land was donated to the library at County Farm Road and 20th Lane. Why not use that land with less cost.

Sincerely,

Joyce Drobnych
