

Niche Academy is Coming Soon

<https://www.nicheacademy.com/>

Why Niche?

Under Consideration for Years

- Training Committee originally looked at it, and liked it
- Decided to save money and try Google Classroom first
- After 2 years of Google Classroom there is missing functionality

Problems with Google Classroom

- No ability to track
 - Only stats available are active classrooms
 - Don't know who is really taking courses
 - Confusing for people to access

Niche Academy - Creating Power Users of E-Resources

- Provides professionally created eresource trainings that are automatically updated when things change, and are automatically pushed out to website widgets.
- Patron - <https://www.pueblolibrary.org/eresources>
- Staff Training - <https://my.nicheacademy.com/pueblolib-staff>
 - All of Google Classroom content has been moved over, and there is new content available from Niche including Staff only content in the eresources.

Timeline

It's Ready Now!

- Customers can already access the Teach Me and Tutorial list on our e-resources page.
- In the next few days Supervisors will be invited to create an account with Niche. (test out any bugs or issues)
- After that, all staff will receive an email inviting them to create an account with Niche.
- September - Community Relations will launch Teach Me to let public know in newsletter
