Pioneer Dies

James Adams, aged 72 years, a pioneer resident of Colorado and a member of the G. A. R., died at his ranch on the St. Charles early yesterday morning after a prolonged illness. Mr. Adams was a member of company "H" Seventy-first Illinois volunteers during the civil war. The funeral which will be conducted by McMahon and Collier, will be held from the home near Fisher (Colo.) postoffice at 2 o'clock this afternoon. Interment at that place.

HATS OFF AT THE ROOKERY

The Rock Island train from the east last night brought to our city Miss Marion M. Ogden, the leading lady violinist and Miss S. Ruth Dieterich, pianist, both late members and proprietors of the American Ladies' Orchestry of the Hub City, where they have made their home for a number of years, they come highly recommended as first class musicians. Mr. Martin can congratulate himself on being fortunate enough to secure the services of two such popular musicians and ladies. Tonight will be their first appearance in Pueblo and we predict there will not be standing room. An entirely new programme has been arranged for this week. New electrical effects, new songs, many changes have been made for the comfort of the guests and we are pleased to say the Rookery is now enjoying the same first class patronage from first class people as when it first opened in the old church. Bring your friends and enjoy an evening at the Rookery theater tonight.
