CHARGED WITH KILLING ALKIRE

Young Eugene Flohr Accused of Firing the Fatal Shot.

Eugene Flohr, sixteen years old, a messenger employed by the Western Union Telegraph company, was arrested yesterday morning by Deputy Sheriffs Anthony and Mills, charged with firing the shot that killed Al Alkire in front of the postoffice Friday night. A complaint was made accusing him of murder and he is now in the county jail. The officers claim that they have evidence to show that Flohr, a son of John Grund and a son of Jim Pate were standing on the south side of Second street just east of Santa Fe avenue firing revolvers at the time that Alkire fell. They say that Grund had a 30-caliber gun, Pate a 45 and Flohr a 32. Such a gun as that which Flohr is said to have been shooting was found at his home. He maintains that he can prove that he was on Victoria avenue south of the river when the shooting occurred. Coroner Gale will impanel a jury tomorrow and begin the inquest.
