ITALIANS CHARGED WITH MURDERING THEIR OWN BROTHER

Special to the Chieftain.

Trinidad, July 17.—A long standing feud which had its beginning in Southern Italy, this morning resulted in the death of Euiseppi Ciampa, an Italian miner of Forbes. The man was stabbed to death early this morning supposedly by Paolo and Giasue Ciampa, brothers of the deceased and Gueseppi Gampacorta. Paolo Ciampa and Gampacorta are now in the county jail, both of them wounded and Giasue Ciampa is a fugitive. From the best accounts, that the authorities have been able to obtain Giasue Ciampa is supposed to have stabbed his brother with a dirk while he was being held by the other two men.

straight games from the best teams up and down the valley, amateur teams of Pueblo and defeating also the Wichita All-Stars, went down today before the Pueblo railroaders.

It was a clean game well played all the way through and the Pueblo bunch were the best humored lot of fellows ever on the Fowler diamond.

Score by innings: R H E.

Rio Grande ....0 2 0 1 0 0 3 0 0—6 7 6

Fowler .....0 2 1 0 2 0 0 0 0—5 9 4

Batteries—Pueblo, Casey and Thompson; Fowler, Hedgcock and Danford.

Upon their return to Pueblo the Pueblo boys were unanimous in praises of the treatment accorded them. The umpire, Mr. Ben Glazes, a business man of Fowler, was very fair in all his decisions. The Fowler boys played the game from start to finish and while the Pueblo boys won they claim Fowler gave them the closest rub they have had this season.

Fowler has lost but one game and the same is true of the D. & R. G. team and the return match to be played in Pueblo at some future date should be interesting.

COLLECTED CORPORATION TAX REACHES $27,267,927

Washington, July 17.—Treasury returns show that to date there has been paid $26,445,699 of the assessment originally made, aggregating $27,267,927 on account of the corporation tax. Of the remaining $822,000 about half has been abated by the commissioner of internal revenue for various reasons or is in dispute. The expectation is that by the end of the month the $400,000 unpaid will be collected.

Some of the collectors have been obliged to impose penalties for a failure to pay the assessments by July 11. In some quarters an impression has existed that the assessments were not payable until the United States supreme court passed on the constitutionality of the statute.
