AUTOMOBILE PARTY—An automobile party from Holdenville, Okla., consisting of F. F. Godfrey and daughter, Helen; J. W. Daugherty and wife; Joe Vaughn and Miss May Marts, in two automobiles, passed through Pueblo yesterday. The party had been away from home just one week, and is touring Colorado.

LAND TRANSFER—Several acres of land and a water right has been conveyed to the D. & R. G. railroad by T. H. Devine, a deed having been filed with the county clerk. The consideration is stated as $5,000, and the land and water right was purchased by Mr. Devine for the railroad company, as attorney for the company. The railroad secured the water right and land in order that water may be brought to Cucharas junction, for locomotives.

HAVE GOOD LUCK—Tommy Mathews and a party of anglers have returned from a fishing trip on the Gunnison, and to show that he had good luck, Tommie brought back a fine bunch of trout and gave them to hs friends. Mathews landed another whopper on this trip, which he is now having mounted.

OLD SHERIFF DEAD—Perry Baker, aged 81, for twelve years sheriff at Butte, Mont., in the early days, died yesterday in a local institution following a long illness. Baker came through Pueblo forty years ago, and after stopping here a few months, located in Butte. He came here a few months ago for hs health.

EXPECT TO ATTEND—From announcement already received by the D. & R. G. many Puebloans expect to attend the fortieth anniversary of the founding of Colorado Springs in that city during the celebration week, July 31 to August 5. The D. & R. G. expects to run eight trains daily each way to accommodate the heavy traffic. Special arrangements are being made in the Pike's Peak city to entertain thousands of Colorado visitors during the week.

INSTRUMENTS STOLEN—While making a professional call Sunday night, some one stole a case of surgical instruments valued at $75 from Dr. M. J. Keeney's automobile. The police were notified and early yesterday morning the instruments, which had been taken from the case, were found
