ALL UNION MEN

Following is a statement from O. L. Dowell, secretary of local No. 69, regarding the charges of Mr. Glass in the morning Chieftain that G. M. Morris, did use scabs or unfair musicians in his band at Mineral Palace park. Before the first engagement at the park, which was June 12, Mr. Morris called at my office to see if the musicians that were to play the Mineral Palace park concerts were in good standing, and he was instructed on the opening date that they were all right and every man playing was in good standing As I was playing in the band at that time, can state positively that every musician used was and is now in good standing.
