RANCHMAN OF MANZANOLA IS DEAD

WELL KNOWN ARKANSAS VALLEY PIONEER DIES AFTER SHORT ILLNESS

Special to The Chieftain.

Manzanola, Nov. 3.—John W. Baty, one of the most widely known pioneers of this place, died at his ranch here this afternoon. Tuberculosis, together with other complications caused his death. He had been confined to his home but a short time.

The deceased was 65 years of age and came to the Arkansas valley in 1876 settling in this vicinity. Since coming here he acquired large property holdings. He also owns a bank in Syracuse, Kan., near where he formerly was heavily interested in other property. He is survived by two brothers, James W. and J. N. Baty. The funeral services will probably be held Tuesday afternon from the ranch home and interment will be made in the Manzanola cemetery.
