JOHN STOMMEL

Born, Cologne, Germany, March 28, 1851.

Died, Tuesday morning, Feb. 10, 1920.

Few of us who did not know him, none who were not met by his friendliness and good will, and so has passed one of Pueblo's old-timers. He came among us in July, 1885, working at his trade as tailor until the day of his death.

He was married to **Lena Becker** at Seigburg, Germany, on May 1, 1880, and of this wedlock three sons and two daughters were born in Pueblo. The widow and family survive to mourn his death as do the hearts of his friends, for John Stommel was a sturdy, honest man among men.

His sons and daughters are here, the comfort and solace to the quiet little woman, his partner of the joys and sorrows which they shared together.
