Mr. Rice has a rig which he will send to Pueblo for parties desiring to summer at his hotel, and they can return to the city the same way when they so desire. Prices will be found very reasonable and a pleasanter place to spend the summer can not be found in the state.

AMUSEMENTS.

"The Man in Black" still attracts large audiences to the pavilion at the lake. The farce is very amusing and never fails to raise a laugh no matter how many times it is seen. It is presented by a very capable company and all of the characters are well represented. Patrons of the street cars are admitted free and there will probably be another large crowd to witness the comedy tonight.

STAGE LINE TO BEULAH.

Mr. Birch will run a stage line from here to Beulah for the season. The coaches will leave at 7 o'clock a. m. on Tuesdays, Thursdays and Saturdays. He will also run extra stages if necessary.

MISSED CONNECTIONS.

The remains of Frank Bingham which were to have arrived yesterday will not be here until some time this morning. The delay was caused by missing connections at La Junta.

A word of caution. When you go to buy goods advertised in this paper be sure that you get just what you ask for, and nothing else.
