Attention is called to the new advertisement of Capt. James Rice, of the post office book store, where cheap summer reading can be obtained in endless variety. See list of prices in the advertisement—it is simply astonishing how cheap a person can buy reading matter at Rice's. We are indebted to him for a supply of light reading matter. Orders by mail will receive careful attention.

Mrs. Bingham, wife of Frank Bingham, Esq., who resides at Rocky Ford, died at the Lindell Hotel in this city, on Monday evening, after a short illness. The deceased was brought to this city about three weeks since for medical treatment, and at first was much better but soon became worse and finally died. She had many friends in this neighborhood and was beloved by all who knew her. The body was taken to Rocky Ford on Tuesday, for interment, Rev. W. A. Caplinger, of this city accompanying it as officiating minister.

A correspondent of a scientific journal describes a method which he has adopted to cool the temperature of any room during hot weather. It is to hang a sheet or blanket down outside an open window upon which the sun is shining. This sheet is wet, and the evaporation of the water produces a deliciously cool apartment. The sheet is kept damp by having a vessel filled with water above the top of it outside, and a piece of flannel arranged to carry
