is the only male citizen in his city, and as a consequence at the lection he held, was chosen for , city clerk, city auditor, city er and city council. Knowing ome day he might have to leave nch for an indefinite period, he hat the reigns of government be left in capable hands. Rath- n allow a comparative stranger ume control of the municipality, put in his time teaching the bull e points of city government with sult that the animal is now act- the capacity of administrator for ty of Payton. So far as known, the only case of the kind in the world, aside from India where, understood, some white female es of Don's bull have considera- ice in the government.

OVEL
S MAN'S LIFE

to begin their feast which would principally of himself, and then gton's lucky star again began scendant, as a French man-of- peared, and, upon the demand of ptain, Carrington was delivered him. His companions had been up by the man-of-war and had to his rescue.

lso saw many bloody scenes dur- e Boxer uprising in China, and n one of the fights he was cap- and both ears cut off by a piece tery. After this uprising had ubdued he again went to sea, tered the service of a dealer in

ngton says that himself and five became lost in the deep woods ica, and, while following the of a large band of elephants, urrounded by natives, all armed pears. The six men made a des- fight, but were all wounded and d. They were kept by the tribe, had its headquarters near the un mountains, until the Kjal- s the tribe is called, were sur- d by a detachment of German and forced to surrender. The n had been used as servants their captivity.

ngton recently arrived in San co from Honolulu, where he is gaged in mercantile pursuits. He s way to his old home in Forres, ll go to Fort Worth to visit a before leaving for home. He

know that he has been retained for this week again to sing the illustrated. songs. He has something brand new in "The Curse of the Dream," it having never been sung here before. The slides are also new and the big biograph has an interesting lot of new moving pictures. Hughes and Kenton, the funny men in music and song, are held over this week, and the Lemanes will give the operatic sketch on this week's bill. It is a large 10 cents' worth this week, and you had better see it all.
