recommended at the primary, have not complied with the laws as yet. They have a few days in which to accept, however, and it is considered that all will pay a visit to the office of the county clerk before the seven days after the assembly have elapsed.

Says Hubby Choked Her Wants Divorce

Complaining of extremely rough treatment at the hands of her husband, Mrs. Roy Cole has filed suit in the county court for a divorce from Roy L. Cole. The wife declares that she has been cuffed about and abused, and she declares that, while he was persecuting her, Cole once grabbed her by the throat and choked her, that she might not scream for help.

The couple were married here on May 16, 1910. Cole is an employe of the Traction company, and besides a divorce and the custody of one child, Mrs. Cole asks for $30 per month alimony.
