Many to Hear Concert Recital

Students of the Scott School of Music and many of their friends will attend the Schuman-Heink concert recital at Colorado Springs tonight in a special train over the Rio Grande, leaving Pueblo at 6 o'clock and returning after the performance. It was possible to secure only 125 reservations at the concert, but every one of these will be used.

The Scott school has already made arrangements for another special train to Colorado Springs to hear De Pachman, the great pianist, on February 9. A greater reservation of tickets will doubtless be secured for this recital and a larger number of Pueblo ans will be privileged to hear the great artist.

Arrangements are now being made to secure a number of high class artists for Pueblo next season.

RESIGNATION OF TAX COMMISSIONER DEMANDED

Lansing, Mich., Jan. 24.—Gov. Chase S. Osborn today demanded the resignation on February 12 of State Tax Commissioner Robert H. Shields of Houston, who a few days ago, in a public statement sharply criticised the present state administration. In reply Governor Osborn said the attack was made because the commissioner knew the governor was investigating his record with a view to removing him. Governor Osborn also asserted the attack was "simply a part of the brewery game," and declared that he would accept a renomination for governor on an "anti-brewery domination platform."
