DEAD SISTER'S CLOTHING STOLEN FROM BROTHER AT UNION DEPOT

Irwin Frantz of Conway Springs, Kan., turned his back for a moment at the Union depot last night and when he looked around again a suit case containing his dead sister's clothing and only photographs had been stolen. Frantz came to Pueblo several days ago on account of her death and was returning with her body when the robbery occurred.

Frantz reported the loss to the police and half an hour later Detective Grome located the suit case in a Union avenue second hand store. The contents were intact. The proprietor of the store had loaned $3 on the grip and contents, but when informed of the nature of the theft, refused to accept what he was out on the deal from the owner. The police have a good description of the thief and are trying to locate him.
