The tourists came from London, Ky., and are en route to Oregon, and left on an evening train. They attracted considerable attention while in the city and many inquisitive persons visited the emigrant room, where the young folks were walking on the backs of the seats and amusing themselves in typical child fashion.

WILL ENTERTAIN MITCHELL

Labor Leader Will Be Guest of Roosevelt.

By Associated Press.

Oyster Bay, N. Y., Sept. 27.—President Roosevelt has passed the last day of his summer vacation quietly at Sagamore Hill. He and Mrs. Roosevelt, accompanied by two of their children, attended the morning services at Christ Episcopal church. The president and Mrs. Roosevelt and their children now at home, Secretary and Mrs. Loeb and members of the executive staff will leave tomorrow morning for Washington. A meeting of the cabinet will be held on Tuesday, but nothing of special importance is likely to be developed. On Tuesday afternoon the president will have as a guest at luncheon John Mitchell, president of the United Mine Workers of America.

The mine workers' president is in Washington now and will be there until Tuesday evening. It is announced that arrangements for the luncheon were made prior to the latest developments in the case of W. H. Miller, and that no special significance is to be attached to the invitation.

In view of a statement recently published that the president, on his return to Washington, would hold a conference on the Miller case with prominent officials representing organized labor, it is announced that the president has no intention of conferring with anybody regarding that case.
