Earthquake Kills One Hundred.

By Associated Press.

Cettinje, Montenegro, June 2.—Later details of the earthquake from Scutari Albania, show that 100 persons were killed and 250 injured and that the town has been completely devastated. There were twelve shocks. The inhabitants are now living in the open while the foreign consuls have been provided with tents. The authorities have oragnized parties to search for the bodies of victims. It is feared that the list of casualties will be considerably increased.

Premier Balfour Reappears.

By Associated Press.

London, June 2.—In Albert hall today Premier Balfour who has recovered from his recent illness received an enthusiastic reception from over 10,000 unionists, representing the organized forces of his political party. The premier spoke with vigor for 45 minutes
