IN MEMORIAM

In memory of Dolores V. ... on her birthday. We can't know why a lily brief a time to bloom warmth of sunlight's kiss its face, Before it folds grace in and bids the good night to rest its beauty in a gentle place. But we can't know that nothing that is loved is ever lost, and no one who has touched a heart can really be taken away, because some beauty lives on in each memory which they've been a part of. Sadly missed by Christine, Martin, Luke & Amanda.
