Mary Jane Bradbury as Jeannette Rankin

Jeannette Rankin Chautauqua Monday, March 9, 6:30 p.m., Rawlings, Ryals Room-4th floor

Presented by Mary Jane Bradbury: Suffragist, pacifist and tireless advocate for social reform, Jeannette Rankin was the first woman elected to the U.S. Congress, and the only member of Congress to vote against U.S. entry into both world wars. She worked for the cause of women and children during the reform decades of the early 20th century. As a lifelong pacifist, she served as a lobbyist for the Women's Peace Union and was a representative for the National Council for the Prevention of War. Pueblo libraries attain Star Library status

Pueblo City-County Library District has earned national recognition. The Library Journal awarded the district with its "Three Star Library" award. The Library Journal Index of Public Library Service was created to recognize and promote excellent public libraries in America. A total of 6,333 U.S. public libraries qualified to be rated in the index, 261 of which were named Star Libraries.

"We are very proud to continue providing excellent library services to the Pueblo community. This national recognition makes evident the library board of trustees' and staff's commitment to the ideals of literacy, lifelong learning and providing access to information," said PCCLD Executive Director Jon Walker.

Nine libraries in Colorado received a star award. San Miguel Library in Telluride and La Veta Regional Library District were awarded five stars, Arapahoe Library District received four stars, and Douglas County Libraries, Mancos Library District,

Children attend the FARMily petting zoo at the Summer Reading kickoff at Rawlings.

Pikes Peak Library District (El Paso County), Ridgeway Public Library District and Rocky Ford Public Library each were awarded three stars.

To be a Star Library, each library is rated across six per capita measures: visits, circulation, program attendance, public computer usage, items checked out electronically and Wi-Fi sessions. The data is reviewed and rated against peer library performance. PCCLD scored high in multiple categories.

To receive an LJ Index score, a

library must have a legal service area population of at least 1,000, spend at least \$10,000 annually and report all of the data required to calculate its score. PCCLD is placed in a nation-wide category of libraries that have an annual budget ranging from \$5 to \$9.9 million.

Library Journal is the oldest and most respected professional library publication. For more information visit: <https://www.libraryjournal.com/?page=americas-star-libraries-2019>

TRUSTEE TALK

Thank you for investing in our future

By Stephanie Garcia

On November 5, 2019, the Pueblo Library Board of Trustees let out a collective sigh of relief when we realized that the voters of Pueblo passed ballot measure 6B. It allowed the library district to continue to collect the modest two-decade old mill levy. Without the support of our community, we were facing a loss of about one million dollars per year. We knew

that by 2021 we would have faced some tough decisions regarding operating hours and our ability to support all branch locations. We want to thank everyone that supported this effort including the Library Foundation Board and Friends of the Library.

I am one of the newer members of the Board of Trustees. It is a pleasure to work with this group of high performing individuals. We each bring different perspectives to the table and we're grateful that we can draw upon a diverse set of competencies and knowledge.

I have served on many local, state and national boards and understand the importance of good governance and how it should complement the ability of management to succeed. With Jon Walker's continued leadership and his excellent staff, we look forward to investing in our award-winning library system for years to come and provide the best possible public libraries for our community.

Stephanie Garcia is vice president of the Pueblo Library Board of Trustees.

Applications are accepted
through March 13; vendors
will be notified if accepted.
