Get cozy with hygge

If you'd rather stay inside on a cold winter day, curled up with a hot cup of tea, reading a book, then you've experienced hygge.

Pronounced "hue-guh," it's a Danish word for the concept of feeling cozy contentment and satisfaction with enjoying the simple things in life.

Wrap yourself up in cozy contentment with a hygge book from our online library and participate in a Giodone Library program and pick up a Make Your Own Candle Hygge Kit2Go.
